ULYSSE – 24 YEARS OLD

I dropped out of school in 11th grade due to health issues. Thanks to the Mission Locale, I worked on my career plan and joined a certified web developer training program, which gives me a qualification equivalent to a 2-year degree, even though I didn't graduate from high school.

LAURA – 19 YEARS OLD

I've always dreamed of working in early care and education. My advisor at the Mission Locale told me about the CAP AEPE program at IRFSS Centre-Val de Loire | French Red Cross. With her help, I got it funded. Thanks to the CEJ allowance, I can pay for my car insurance and fuel to attend training and internships. My advisor calls me regularly to check in. I find it reassuring—I know I'm no longer alone!
